### State Specific Disclaimer

**Disclaimer:** Please remember that insurance terms, definitions and explanations used throughout the One Product Reference Guide are intended for informational purposes only and do not in any way replace or modify the definitions and information contained in individual insurance contracts, policies or declaration pages, which are controlling. Such terms and availability may vary by state and exclusions may apply. Discounts may not be applied to all policy coverages. Further, in the event of a claim, the facts and circumstances will be evaluated by applying the applicable policy language and state law.

Unless specifically noted, includes new business/open and closed companies

**SmartMiles** availability varies. The SmartMiles variable premium is based upon the Cost Per Mile established for the coverages in force and the number of days and miles driven when the coverage is in force. The SmartMiles Driving Behavior Discount could be zero and does not apply to all coverage elements; actual savings vary by state, coverage selections, rating factors and policy changes. The Driving Behavior discount applies at the next policy renewal and remains while the vehicle is enrolled in SmartMiles. Estimated payments are subject to change based upon the final rated mileage during the mileage period and any policy changes

**SmartRide** Stated discounts are approximations. Discounts do not apply to all coverage elements; actual savings, availability, and program criteria vary by state, coverage selections, rating factors and policy changes. Enrollment discount applies until a driving behavior discount can be calculated, which could be zero. Driving behavior discount is applied to a policy when all drivers have activated the SmartRide Mobile app within 30 days of the policy's effective date and the app remains active for 80 days. All discounts are subject to change based upon actuarial support and driving behavior at subsequent renewals or with changes in drivers or vehicles on the policy.

\*Discounts may not be applied to all policy coverages and may not equate to total amount shown. See state rules for eligibility

**Recurring EFT** - Applies to policies enrolled in recurring EFT payment.

**Select-** Applies based on a combination of the number of prior carriers, number of vehicles in the household, advance quote shopping days, prior BI limits, prior carrier terms, and terms with Nationwide.

Can be selected at the vehicle level and mix-and-match with traditional and SmartRide programs.

**SmartRide (Mutual, NICOA, NGI only)** - Applies to policies and/or vehicles that have a Nationwide telematics device installed or download and active the Nationwide SmartRide App. Initial 15%\* participation discount with the potential of earning up to 40%\*.
