### State Specific Disclaimer

**Disclaimer:** Please remember that insurance terms, definitions and explanations used throughout the One Product Reference Guide are intended for informational purposes only and do not in any way replace or modify the definitions and information contained in individual insurance contracts, policies or declaration pages, which are controlling. Such terms and availability may vary by state and exclusions may apply. Discounts may not be applied to all policy coverages. Further, in the event of a claim, the facts and circumstances will be evaluated by applying the applicable policy language and state law.

Unless specifically noted, includes new business/open and closed companies

**SmartRide:** Stated discounts are approximations. Discounts do not apply to all coverage elements; actual savings, availability, and program criteria vary by state, coverage selections, rating factors and policy changes. Enrollment discount applies until a driving behavior discount can be calculated, which could be zero. Driving behavior discount is applied to a policy when all drivers have activated the SmartRide Mobile app within 30 days of the policy's effective date and the app remains active for 80 days. All discounts are subject to change based upon actuarial support and driving behavior at subsequent renewals or with changes in drivers or vehicles on the policy.

**SmartMiles:** availability varies. The SmartMiles variable premium is based upon the Cost Per Mile established for the coverages in force and the number of days and miles driven when the coverage is in force. The SmartMiles Driving Behavior Discount could be zero and does not apply to all coverage elements; actual savings vary by state, coverage selections, rating factors and policy changes. The Driving Behavior discount applies at the next policy renewal and remains while the vehicle is enrolled in SmartMiles. Estimated payments are subject to change based upon the final rated mileage during the mileage period and any policy changes

\*Discounts may not be applied to all policy coverages and may not equate to total amount shown. See state rules for eligibility

**New Vehicle** - Applies to private passenger autos with model years within the most recent five years. Vehicle age equals current year (before October 1) minus model year. Age changes on October 1 each year. (Example: On 8/1/2017, a 2016 model year is 1 year old; on 10/1/2017, a 2016 model year is 2 years old.)

**Paperless Policy** - Recurring discount up to 5%\* for customers who elect to have their policy documents, including ID Cards, provided electronically.

**Select** - Applies based on a combination of the number of prior carriers, number of vehicles in the household, advance quote shopping days, prior BI limits, prior carrier terms, and terms with Nationwide.

**SmartRide NICOA, NPCC** - Applies when a customer enrolls in the Nationwide telematics mobile program. Initial 15%\* participatory discount with the potential of earning up to 40%\* discount applies to BI, PD, MP and COLL coverages.

**SmartMiles NICOA** – Pay-per-mile auto insurance program designed to save low mileage drivers money, where the premium is based on miles driven, giving more control over auto insurance costs than a traditional policy. Can be selected at the vehicle level and mix-and-match with traditional and SmartRide programs.

**Student Away** - Applies if a driver age 16-24 is a student residing at an educational institution over 100 road miles from the garaging location of the vehicles and doesn't have access to any of the vehicles on the policy while away at school.
